## Information

Specially designed to meet your stationery storage needs – our stationery cabinets are built to the highest industry standards.

Welded construction, folded edges for safety and adjustable shelves – with no clips or screws required. It's the attention to detail that really counts!

As an endorsed commercial furniture supplier to the Commonwealth Government and a member of the Australasian Furniture Research and Development Institute – we're confident that when you select one – or indeed more – of our stationery cabinets for your business, you'll be more than happy you picked Elite Built.
