Less energy, more savings

Fuji Xerox EA(Emulsion Aggregation)-Eco toner is a newly developed special toner that allows fusing to paper at a much lower temperature so you can save up to 20% power consumption and reduce CO2 emissions by up to 35% compared to conventional Fuji Xerox toners. That means bigger cost savings for you and a greener planet for us all.

Toner-Save Mode saves you even more money by reducing toner use by up to 30%.

Guaranteed Quality and Reliability

Fuji Xerox's award winning S-LED (Self-Scanning Light Emitting Diode) and DELCIS (Digitally-Enhanced Lighting Control Imaging System) technology gives you consistently sharp images at true 1200 x 1200 dpi. With fewer moving parts, the S-LED chips help your system to run with whisper quiet reliability and give you real savings on your energy bills.
